VERY NEAT WITH AIR CONDITIONING AND BREEZE

This lovely home ticks all the boxes for neat and tidy with both indoor and outdoor living areas. There are two bedrooms and another room tucked away at the back which could be used as another bedroom, office, storage, or as a sleep-out for visitors. There is no need to sweat it out this summer - air conditioned lounge and ceiling fans coupled with the open plan kitchen, dining and lounge allow the air to flow freely. This home is fully screened to take full advantage of the sea breeze as it wafts up the hillside. Tiled throughout, this property is so easy to maintain and help keep you cool, and if that's not enough, enjoy your happy hour drinks in the private undercover outdoor area. If you're not in a hurry, the shower over bath allows you the option to relax in the tub after a hard day. The garage has space for your tools and your car, with remote control access. Spacious yard area for the tinny and the trailer - what more do you need!
